PUBLIC MEETINGS PURSUANT TO THE RALPH M.
BROWN ACT.

WHEREAS, a novel coronavirus, COVID-19, causes infectious disease and was first
detected in other countries in December 2019; and

WHEREAS, COVID-19 symptoms include fever, cough, and shortness of breath, and
those who have been afflicted have experienced anything from mild illness to death; and

WHEREAS, the Centers for Disease Control and Prevention considers COVID-19 to be a
very serious public health threat, and the World Health Organization declared the COVID-19
outbreak to be a global pandemic; and

WHEREAS, on February 19, 2020, the County Board of Supervisors ratified a
declaration of local health emergency related to COVID-19 that remains in effect today; and

WHEREAS, on March 4, 2020, Governor Gavin Newsom proclaimed a state of
emergency in California as a result of the threat of COVID-19 that remains in effect today; and

WHEREAS, on March 12, 2020, the Mayor of the City of San Diego proclaimed the
existence of a local emergency related to the COVID-19 threat, which was ratified by the City
Council on March 17, 2020, and remains in effect today; and

WHEREAS, since March 2020, the California Governor, the County of San Diego Public Health Official, and the Mayor of San Diego have all issued directives and guidance that impact residents of San Diego; and

WHEREAS, the Governor's Executive Orders N-25-20 and N-29-20, issued on March 12, 2020 and March 17, 2020, respectively, suspended provisions of the Ralph M. Brown Act (Brown Act) related to teleconferencing of meetings, permitting local jurisdictions to hold public meetings via teleconferencing and allowing members of the public to observe and address the meeting telephonically or otherwise electronically; and

WHEREAS, the Governor's Executive Orders N-08-21 and N-15-21, issued on June 11, 2021 and September 20, 2021, respectively, extended the suspension of the Brown Act provisions through September 30, 2021; and

WHEREAS, on September 16, 2021, the Governor signed Assembly Bill 361, which provides that a local agency may use revised teleconferencing rules in California Government Code section 54953(e), if the legislative body makes certain findings considering the circumstances of the state of emergency and those findings are reconsidered every 30 days; and

WHEREAS, as of December 9, 2021, the first case of the Omicron variant was detected in San Diego according to the San Diego County health officials, with more to be expected in the near future; and

WHEREAS, early data suggest that the Omicron variant is more transmissible than the Delta variant; and

WHEREAS, on January 5, 2022, Governor Gavin Newsom signed Executive Order N-1-22, which states that the statewide seven-day average case rate has increased by 805 percent, the number of COVID-19 hospitalized patients has increased by 154 percent, and the surge is

being driven by the recent emergence of the Omicron variant, which has recently been estimated to account for approximately 70 percent of cases sequenced nationally; and

WHEREAS, according to the CDC Levels of Transmission, California's level of transmission of COVID-19 is "substantial transmission," with San Diego's level determined to be "high transmission," as of January 31, 2022; and

WHEREAS, according to the County of San Diego COVID-19 Watch – Weekly Coronavirus Surveillance Report, during the week of January 9, 2022 through January 15, 2022, there were 79,018 cases and 45 deaths, during the week of January 16, 2022 through January 22, 2022, there were 68,182 cases and 21 deaths, and during the week of January 23, 2022 through January 29, 2022, there were 40,417 cases and 99 deaths; and

WHEREAS, the California Department of Public Health extended the mask mandate for indoor public spaces and workplaces from January 15, 2022 to February 15, 2022; and

WHEREAS, requiring large numbers of individuals to gather, and potentially travel long distances, for in-person public meetings could potentially, and unnecessarily, expose numerous people to COVID-19, further contribute to the ongoing surge in cases caused by the Omicron variant, compound disruptions to our economy, and undermine public health measures during the current state of emergency; and

WHEREAS, the state of emergency continues to directly impact the ability of the City Council members and public to meet safely in person; and

WHEREAS, the public health and safety of attendees at public hearings in the City is of the utmost importance; and

WHEREAS, under San Diego Charter section 280(a)(1), this resolution is not subject to veto by the Mayor because this matter is exclusively within the purview of the City Council and

not affecting the administrative service of the City under the control of the Mayor; NOW,
THEREFORE,
